The staff at ALC would like to thank all of you for a successful start to the school year. We are thrilled at the great group of students and families and look forward to what the rest of the school year has to offer. If you feel at any time that you need to discuss issues with the teachers, please schedule a time you can call them or try to limit your discussions to pick up time so the children can start their day promptly. Just remember; the more consistent you are with your child, the easier drop off will become.
